What is the World Jamboree?

The World Scout Jamboree is **Friendship**. If you like to make friends, meet new people, and be social, this is the place for you! Imagine making a friend from India on the way to get water, learning to tie your neckerchief the Swiss way while in line for your next activity, and stumbling into a Welsh party before going to bed. With 50,000 Scouts from 160 countries living side-by-side, you are sure to meet amazing guys and girls faster than you can find them on Facebook. Don't miss what will surely be the *largest party in the world!*

How to Participate!

There are three ways to be a part of the BSA Contingent to the 24th World Scout Jamboree. If your birthday falls between July 22, 2001, and July 21, 2005 (i.e. you will be age 14-17 by the time of the Jamboree), you have the unique opportunity to join the contingent as a youth. If you were born before July 22, 2001, you may apply to be either an Adult Leader or an IST (International Service Team, a.k.a. Staff member).
