

Award Form for Newspapers

The Old North State Council encourages you to submit information about your award to your local Newspaper.

"Please complete this form and deliver it to your newspaper either in person, through U.S. mail or through e-mail. If you do not have a suitable photo that can be mailed or e-mailed, call your local newspaper and make arrangements to have your photo taken.

Because of limited staff and the decrease in demand for studio portrait photos, the News & Record will no longer be able to set aside time each week to take photos. In recent years, e-mailing photos has become far more popular among parents, this change will have minimal impact.

Photos and related information can be e-mailed to people@news-record.com or mailed to us at News & Record, PO Box 20848, Greensboro, NC 27420, attention Janice Carmac. When e-mailing, photos should be jpeg attachments, at least one inch wide with a resolution of 150 pixels per inch.

If Scouts or parents have any questions, they can call Janice Carmac at 373-7098 or Cindy Loman at 373-7212.
