CAMPERSHIP GUIDELINES

1. A Scout's parents must provide income and employer information on all campership requests. The reason for the campership may be one of the following: Single parent family with limited income, medical hardship with limited income, income hardship, multiple youth from the same family household attending and this presents a financial hardship to attend camp. The unit the scout is registered with should help provide funding or the unit sponsor can help provide funding. A Scout is thrifty and by being thrifty, the Scout should sell Trails End Popcorn or some other unit fundraiser to help provide a portion of their camp fee.
2. The Scout must provide one of the following to support his need for a campership:
 - a. A signed statement from his school Principal, or authorized school representative, that he qualifies for reduced lunches or activity fee waiver, requested by the parent or guardian.
 - b. Minister or employer, sign a statement that the Scout's parents have a financial or medical hardship that would prevent them from being able to pay for one week of Summer Camp, requested by the parent or guardian.
3. **The Scout and a parent or guardian must select one of the above options (a or b) and obtain the approval of the Cubmaster, Scoutmaster, or Crew Advisor. All letters or statements should be attached to the application.**
4. Camperships will be limited to one campership per year, per youth member who would otherwise be unable to attend (which would include one session of Summer Camp, Webelos Camp or Day Camp program) at the Old North State Council Camp facilities.
5. **A \$20.00 deposit for Resident Camp and \$10.00 deposit for Day Camp must be paid at the time the application is submitted for consideration. This deposit is applied to the Youth's camp fee. The deposit is transferable, but not refundable. The transfer may only be made to another Scout that is attending on a normal fee basis.**
6. **Camperships approved are not transferable to another Scout attending Summer Camp.**
7. Forms not properly completed will be returned to the leader of the respective unit and will not be considered by the Campership Committee until completed properly.
8. All campership requests must be properly completed and submitted to the Scout Service Center no later than **May 15th** of the year the request is made.
9. All requests will be considered by a Campership Committee of not less than five members of the Camping Committee appointed by the Chairman of the Camping Committee.
10. Scouts and/or units should ask for only the amount of funds actually needed. **The Scout Office should be notified immediately prior to the Scout attending camp, if a Scout is not able to attend camp so funds can be used for other needed camperships.**
11. Keeping with the true Scouting Spirit, each Scout receiving a campership is encouraged to write a thank you note to the Camping Committee.
12. A campership is only half of the camp fee at that camp. Camperships are only given for Old North State Council Camps.
