For district information, visit the Eagle Scout Page on the Council Web site.
- Does your project provide sufficient opportunity for you to show that planning, development and leadership will take place and it will benefit a religious institution, a school or your community?
- Is the project realistic for you to complete?
- Are safety issues addressed?
- Include a list of key steps you will take to make sure your plan has enough details to be carried out successfully.

Eagle Scout Service Project Fundraising Application should be used ONLY if the scout is taking contributions from anyone other than their parents or relatives, his unit or its chartered organization (ex. church congregation), parents or members of his unit, or the project's beneficiary.

For example - If something is to be sold to raise money for a project or a scout will appeal to the public for donations (i.e. car wash, pancake supper) an application must be submitted. Raffles or other games of chance are not permitted. - Applications are to be turned in to the Council Office for approval.

Final Eagle Board of Review Checklist (after you have completed your project):

- Did you include a completed Eagle application with an attachment for requirement 7? (Statement of life purpose, ambitions and goals, etc.)
- Are there two letters of recommendation included in your notebook? (Can use two of the references listed on your application excluding parents)
- Did you include the post project write up, including approval signatures?
- Are all pages completely filled out including photos, candidate's signature and required signatures for completing the project?
