STEMX

There's no better way to ring in the new year and celebrate all of this winter weather than to get excited about STEM this summer! STEM X was launched in the summer of 2016 as a new approach to bringing young men and women to summer camp so they could experience STEM in a whole new way! **Participants not only immersed themselves in STEM experiments and projects, they also saw STEM in the real world as they visited a nuclear power plant, designed video game apps at High Point University, explored a Tiny Home, and much more!** To wrap it up, the participants visited with representatives from colleges and universities all over North Carolina to learn about the programs they offer. Starting in 2017, there will be year-round opportunities for participants to continue exploring STEM in the Career Exploring program!

In 2017, STEM X will take place from **July 30 to August 4** at Cherokee Scout Reservation in Yanceyville, NC. We are offering more than twice the number of programs than were available in 2016. The program is open to any young man or woman who is at least a 9th grader (as of fall, 2017) up to their 21st birthday. Full details about registration and all of the exciting program tracks available can be found at www.bsastemx.org. Registration began on Monday, January 16th at 8:00 PM. Participants will register by paying a \$200 deposit and confirming the program track they want to experience. Those who register by March 15th will receive a \$50 discount making their total fee \$425. The fee includes everything in the program, food, transportation to and from the off-site locations, t-shirts, and lodging for the week.

Registration will be completed online and the registration link is available at

<http://www.bsastemx.org/fees-registration.php>.

Limited scholarships will be available for those who demonstrate financial hardship.

Don't miss out on this awesome opportunity to experience science, technology, engineering, and math in an amazing new way!

With a one-time \$80.00 purchase you will be registered to attend all five of the lodge major events for the year (Spring Fellowship, Spring Inductions, Summer Inductions, Fall Inductions, and Fall Fellowship). On May 6th, the lodge will be supporting the council annual Beaver Day in tandem with our Inductions Weekend. Scouting For Food

There is nothing better than helping others and we always preach to do a good turn daily as Scouts and Scout Leaders. Time to put your money where your mouth is and join us as we distribute door hangers in our community on February 4 and pick up food donations on February 11. High Point/Thomasville pick up area will be Wesleyan Memorial UMC at 1225 Chestnut Dr., High Point. Archdale/Trinity pick up will be Community Outreach of Archdale and Trinity at 10607 US 311 in Archdale. Be a part of our most visible community outreach effort and help others while showing what Scouting is all about! Thank you to Andrew Cheek for his efforts as our Chairman!

Friends of Scouting

I am thankful for our team of dedicated volunteers! The BSA depends on our volunteers to deliver the promise of Scouting to the youth of our communities. Without your selfless sacrifice, so many youth would not develop good character, citizenship, and physical fitness. Not only is your time invaluable, the Scouts need your financial support as well. The BSA depends on your gracious donation to deliver an outstanding program that will have a lasting impact on the life of a Scout. Help your

child make a difference as they complete rank requirements and live the Scout Oath and Law to become the leaders of tomorrow! Call Vann Owens to schedule your Friends of Scouting Presentation today!

Camp Cards

We have a great line up of vendors for this year's Camp Cards and three tear off sheets that total \$25 in instant savings. This is a fantastic way for Scouts to EARN their way to Summer Camp. Incredible discounts and the return of investment is amazing. We have calculated an average sale for each vendor and for a \$5 cost, you receive over \$200 in discounts! There is no risk as you only pay for the cards you sell.

Day Camp

On June 19th-23rd get ready to enjoy the BEST Day Camp in the Old North State Council. Join us as we focus on all things BUGS! We will be at the incredible City Lake Park in Jamestown. A New Start To A New Year

On January 11, 2017 at the annual district business meeting the existing District Committee welcomed a new extended committee for 2017. Under the leadership of District Chairman Chris Clemmons (Carolina Bank) and with the collaboration of Rob Sharpe (North Carolina State Capital Defender) as Nominating Chairman, the committee was responsible for introducing two major rolls for the district.

The first position is "School Night Leader" this title encompasses a team that will facilitate school night recruitment opportunities helping each unit maximize its full service potential this fall.

The second roll is a "Community Coordinator". This roll is being lead by Emily Lyons, a parent with two Scouts in Pack 39. Emily is very enthusiastic about the new challenge and excited about making a positive and encouraging change for the Scouts in Alamance District. She will oversee and assist the leaders in the positions for community fundraising (popcorn/camp cards), Scouting for Food, Marketing, District Pinewood Derby, and the Adopt-A-School programs as she brings these programs out into the forefront of our community.

2017 A CELEBRATION OF SERVICE

In a national survey of current and former Scouts 8 out of 10 Scouts surveyed believed that helping others should come before their own self-interest. This is what Scouts do!

Spring Ring Outs

During this season, we cycle around a lot of youth between recharterers and Webelos to Scout crossovers. In that process, it can be easy to have an application get lost, misplaced, or accidentally drop a kid during recharter. It is important that we make sure ALL of our Scouts are properly registered with BSA. To insure they are covered under insurance, can receive advancement and Boy's Life and can become Eagle Scouts.

Every week, your unit takes attendance of the Scouts at your meetings. Starting in April we will be asking for these rosters. We will compare your attendance roster to our official roster for your unit. Any Scouts we find that are not officially registered we will communicate to you so we can work together to get that application in so that they can be properly receiving advancement and credit for their work, as well as making sure they are covered by BSA insurance during Scouting events and meetings. Getting this information out to you now allows you to start thinking about and prepare for roster checks so that we can spend more time on the main thing...changing young boys' lives through the Scouting Program.

District Pinewood Derby

Remember the District Pinewood Derby is just around the corner. Are you ready for the Race??? Cost is \$25 per Pack. We will be returning to St. Paul The Apostle Catholic Church this year. Check-in will be on April 21st from 6-8pm and the races will start at 10am on April 22nd. For more info, contact Moreland Smith at guilford.program.onsc@gmail.com.

Day Camp

Guilford District Cub Scout Day Camp will be held June 26th thru 30th at the Sumner Civitan Park. Our theme this year is "Bug Hunters" if you have a rising Tiger through Arrow of Light Cub Scout this is an excellent opportunity for them to come and learn more about bugs, insects and we might even mix in a little STEM. The camp is from 8 am until 4pm and we even offer After Camp Care until

5pm. Our brochure will be mailed out within the next month. Information will also be available on the Council website and you can even check out our Facebook page: Guilford District Day Camp.

We are also looking for volunteers to help make our camp, both adult, Boy Scouts, Adventure Crews and even High School students. If a youth volunteers for the whole week they would have earned at least 40 hours of service. We will need volunteers to help run various stations including: Science, Arts & Crafts, Water Relay, Sports, Scout Skills, 3 Ranges, and to help Den walk from station to station. Information will be available on the Council website and on our Facebook page: Guilford District Day Camp.

Please contact our new Day Camp Director, Colleen Sovich (iamleener@yahoo.com), with any questions.

Camp Cards

We have a great line up of vendors for this year's Camp Cards with many returning and a couple new ones. Camp Cards are a fantastic way for Scouts to EARN their way to Summer Camp. For a \$5 cost, the customer receives \$100+ in discounts! Cards will go on sale in March and be ready to pick up at the March Roundtable. Cards are first come first serve so be sure to have a representative at the March Roundtable to pick up Camp Cards!!! Prepare your leaders and Scouts to "Sell the Savings" while they promote Scouting in our community.

Training

For those of you that were missing these trainings for recharter the first opportunity to get them completed will be March 10 -12 out at Cherokee Scout Reservation for the Outdoor Leadership Skills Training and March 11th at Davidson County Community College for the SM/ASM Specific Training. Be sure to register for them if you have not yet. It is imperative to be fully trained to lead these young men in the outdoors to ensure a quality program.

Family Friends of Scouting

We are now knee deep in the trenches of the 2017 Friends of Scouting campaign! One of the ways we fundraise in Guilford District is through Family Friends of Scouting presentations. This is an opportunity for the families of your Unit to invest in the success of Scouting in the Old North State Council by making a pledge/donation.

We ask for no more than 10 minutes at your Unit's Blue & Gold Banquet or Court of Honor to explain the importance of Family Friends of Scouting. Generally, a Blue & Gold or Court of Honor is the most well attended meeting for a Unit and we want as many people as we can to hear our wonderful message about Scouting.

If you have not yet scheduled a presentation for the 2017 Friends of Scouting Campaign, contact Matt Lanouette at 336-908-5027 or matt.lanouette@scouting.org or Guilford District Program Assistant, Mary Kate Farley at marykate.farley@scouting.org to set it up. It is important to have these presentations very early in the year so that donors can take advantage of having the most time to pay their pledge. We will be asking for dates of these events via phone calls in the coming weeks and February Roundtable.

Scouting for Food

Throughout the year we teach our Scouts to "help others". How are we actually encouraging this? One easy way is to participate in Scouting for Food. Scouting for Food is the one big service project we do in our Communities to help feed those in need. Every major city in our area; Asheboro, Lexington, and Mocksville have organizations that would love to collect the can food our Scouts pick up from the community. Each year our numbers of participating volunteers and amount of food appears to be decreasing. I personally think that we are just not accounting for either appropriately and reporting these numbers to the Council. Scouting for Food is a great way to increase the awareness of your community. Scouts are out on 2 separate days during the month of February being seen helping our Communities. If your Unit is not participating in Scouting for Food, please ask yourself "WHY". If you cannot come up with a valid reason, then get those Scouts and families out in the neighborhood.

Family Friends of Scouting Campaign

As many of you know, every year we ask units to participate in our Family Friends of Scouting Campaign. It is our privilege to visit your unit and talk to the families about what Friends of Scouting is and why it's so important. Family Friends of Scouting is an opportunity for our families to provide financial support for our Council that will impact every Scout in our Council in some way. Every day I look in the mirror and ask myself if "I have done enough to better our Scouts?" Family Friends of Scouting is no different. As your unit schedules your presentation, please ask yourself if there is more you can do to help our Scouts? Through Family Friends of Scouting we are able to help train leaders, provide and maintain 4 Camps that are open to our Scouts and their families, programs that help us develop our Scouts with the Values they need and deserve. If your Unit is not participating in Family Friends of

Scouting, please ask your leaders to schedule a presentation. For those that are participating, THANK YOU for helping us spread the word of Scouting and the support we have received.

Day Camp

Our Uwharrie Day Camp is Scheduled for June 19th - 23rd. As with past years, we are expecting it to take place at Thousand Trails RV Park between Lexington and Mocksville. We are excited about a GREAT lineup of activities this year. Our theme is BUGS, and what Scout doesn't love BUGS. Come join us as we have an incredible week of fun and experience.

Volunteers

I want to personally thank each and every VOLUNTEER! Without you, our Scouts wouldn't have the program they do. Parents, families and friends, as you attend your meetings and districts, please take a minute to thank the VOLUNTEERS!

Philmont Scout Ranch 2018

Enjoy a once in a lifetime opportunity to visit legendary Philmont Scout Ranch for an experience like no other. Philmont is the largest youth camp in the world and offers breathtaking expeditions into some of the most beautiful scenery in the United States. The Old North State Council will take a group (contingency) in the summer of 2018 and registration has opened!

The council contingency dates are June 24 to July 6, 2018. We have reservations for 3 Crews or 36 participants, (27 youth and 9 adults). A \$200.00 non-refundable deposit (we will refund the \$200 if you are not selected to attend) is required along with the official application form. Application forms as well as a Frequently Asked Questions document and payment schedule are available online at <http://www.bsaonsc.org/HighAdventure.html>. Participation is first come, first served for youth. *Adults who register must then be selected by the High Adventure Committee to participate so registration is not confirmation of participation for adults.*

Summer Camp News

Preparing for Summer Camp

Get your swim checks done ahead of time! If you have an adult trained in BSA Swimming and Water Rescue, you can complete your swim checks ahead of camp and save a TON of time during check-in when you arrive this summer!

Another way to save time during check-in is to get your BSA Health Forms checked before your arrival.

To take advantage of this opportunity, send your pack or troop's current BSA Health Forms to the Old North State Council office at least two weeks prior to your arrival at camp. We will review them and let you know if there are any issues. When you arrive at camp, you get to skip the long line at the Health Lodge!

We Need You!

Our summer camps need volunteers during work days this spring to get ready for the summer camp season! Woodfield's work day is **June 3** and Cherokee's work day is **May 6**. Projects range from painting and staining to digging ditches and helping cut down trees. This is a GREAT opportunity for Scouts to get service hours for rank advancement and to give back to the camps that provide such awesome experiences! Contact colin.lemon@scouting.org to sign up!

Camp Scholarships

Summer camp is for every Scout! If a Scout has a demonstrated financial hardship and needs assistance with paying for summer camp fees, please make sure they are aware of the Old North State Council camperships. The guidelines and application can be found here: <http://www.bsaonsc.org/csr/Documents/2017CAMPERSHIPGUIDELINES.pdf>

Applications are due May 5. Don't let a Scout stay home this summer because he can't afford the fees!

Hi all! I'm Matthew Lanouette, the Field Director for Old North State Council. I'm excited to introduce myself as the 2017 Webelos Summer Camp Director! I'm excited to be able to lead the camp this year and support the Camp's Program Director, Lindsey Murphy, for another awesome summer of program at Woodfield! I can't wait to meet and get to know everyone! Here are a couple reminders about Webelos Camp:

Staff interviews are on Saturday, February 4th from 9am until 12:30pm. Each potential staff member needs to participate in an interview. Call the Old North State Council office, at 336-378-9166, to schedule your 20-minute interview on one of these days. Ask to speak with Ms. Kristin Smale; she will help schedule your appointment. You must have completed the application and turned it into the council office prior to your scheduled interview appointment. Here are some positions that have an 18+ minimum age to apply for that we are looking to fulfill: [Boating Director](#), [Camp Commissioner](#), [Business Manager](#), [Medic](#). Some of these positions have required trainings that you must already have or be willing to take prior to the start of camp. Camp Staff Applications are available here: <http://www.bsaonsc.org/wsp/Documents/2017SummerStaffApp.pdf>

The big change this year for Webelos Camp is the schedule. If you have not glanced at the Leader's Guide quite yet, then please be sure to do so soon! We have adjusted the activity sessions to be a bit longer to enhance the quality of these sessions and we added more time between each session to allow for more travel time. This means that the 3rd session will occur directly after lunch and there will now be 2 program periods.

Don't forget that the Early Bird deadline is April 7th for a \$20 discount per Scout! After that day, registration becomes \$200 per Scout.

I look forward to seeing everyone at the Summer Camp Kickoff on February 18th!
