Remember to have fun and with scouts (boys & girls) you do not need exact measurements. Print the pattern on cardstock and cut out several for tracing on felt. Have different color felt squares available, markers, googley eyes, and other items for decoration, ribbon etc., glue and candy canes on hand to complete the project. Takes about 30 minutes with a group of 5 or more. (hot glue needs adult, tacky glue with q-tip is best.) This craft is best when done at the beginning of a meeting to allow drying time for scouts to take home.

Supplies
- Felt (multiple colors)
- Scissors
- Glue
- Googlie eyes
- Small pompoms or felt scrap
- Markers
- Candy Canes
