2009 Camp Primer

Adventures await Webelos on Spirit Trail

Welcome to Webelos Spirit Trail 2009! This summer, Webelos Scouts will have an opportunity to define their scout skills as they train to become a Webelos Warrior Scout of the Woodfield Nation. During the mornings, Webelos will discover the beauty of nature at the Nature shelter, while taking the Forester, Naturalist, or Geologist pin. They will learn to live in the outdoors at the Webelos shelter if they take the Outdoorsman pin. Readyman and Aquanaut pins will teach them to be prepared, as a good brave hopes to be. They will have an opportunity to create a catapult with the Engineer pin. And finally, they will retell the legends and dance the traditional dances of Native Americans at the Showman shelter.

The afternoon at Woodfield Spirit Trail offers each scout many opportunities to just have fun at camp! Cub packs will choose among activities such as swimming, boating, fishing, rock climbing, BB guns, archery, flag football, map and compass skills and Native American crafts. Everyone will be able to kick back, and enjoy the outdoors!

On Tuesday evenings, Webelos will attend the Woodfield Spirit Trail Pow Wow! Here, they will learn about the skills Native American braves need to acquire to become strong warriors.

A special presentation by the Order of the Arrow members will conclude this exciting Pow Wow.

Come, follow the trail...the Webelos Spirit Trail, 2009!

Webelos return to the dock. This summer new challenges will test Webelos on Woodfield's Spirit Trail.
